Bring a favorite piece of original art...  
Learn valuable tips and tricks on how to best SCAN it,  
ENHANCE it in Photoshop, and PREPARE it for print or web.

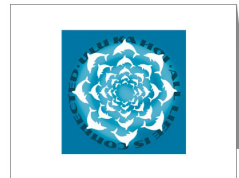

Additional information will be revealed about how to sell your art as products on [www.CafePress.com](http://www.CafePress.com).

Each participant will receive a FREE color 5 x 7" print of their scanned artwork.

Come with or without computer – feel free to watch and take notes.

Those bringing laptops will need to have Adobe Photoshop or PhotoElements installed. Download a free 30-day trial version from [Adobe.com](http://Adobe.com) prior to the class.

TERI KAHAN has been a graphic designer, lettering artist and educator for over 30 years. She is an active member of the Sfc and has been the designer of *The Calligraph* journal since 2001. In this workshop she will gently unravel the computer process with an intuitive approach and personal attention.

Products shown are available from CafePress and can be purchased online at [www.terikahandesign.com](http://www.terikahandesign.com) - click on gifts.
